Device Insurance Program Form 2023-2024 School Year

The **Device Insurance Program** is offered to students in all grades who are assigned a device. The program protects students and families in the event that the device issued to a student is stolen or damaged due to no fault of the student. The program covers accidental damage or theft of the device subject to the following: \$0 deductible for the **first** occurrence per year and \$50 deductible per occurrence thereafter. This coverage is renewed annually at the start of each school year.

PREMIUM: The cost for the school year is \$20.00 and must be renewed annually. In the event a student withdraws from the district, the premium is not refundable. If a family does not enroll in the program and a device is damaged or stolen, the family is responsible for the total cost of replacement parts and labor or the full replacement cost of the device, charger, and case.

To enroll, Parents or Guardian must elect coverage by completing this form for each child and submit a \$20.00 **check payable to *Newtown Public Schools*** by **September 29, 2023**. The completed form and check are to be returned to your child's homeroom teacher in Grades K-8. High school students return their completed form and a check to the main office at the high school.

Please include "Device Insurance" on the check memo.

Students and parents may be charged the full replacement value for intentional damage to the device caused by the student or for a lost device.

Return lower portion with check payable to ***Newtown Public Schools*** include **"Device Insurance"** on the check memo.

Yes, I agree to participate in the Device Insurance Program. I agree to the terms of participation as outlined in this notification and have included the \$20 premium payment.

Date: ____ / ____ **2023** School: _____ CK# _____ Grade: _____

Student Name: _____

Families experiencing economic hardship may request a fee waiver by contacting their school administrator.

****Note: Parents and Students are responsible for all BoE policies governing the use of District owned technology whether or not insurance is elected.**
